Policy briefs

 POLICY BRIEF

Reuse and repair in a circular and social economy

The linear 'take, make, use, and dispose' economy is driving the climate emergency.

 POLICY BRIEF

Sustainable tourism

This policy brief demonstrates that cultural and natural heritage is a significant asset for local communities and sustainable tourism development.

 POLICY BRIEF

Circular economy business models in the EU

Discover the challenges and solutions that policymakers face in implementing circular economy business models. This policy brief includes recommendations on how to speed up the development of these models.

 POLICY BRIEF

Biowaste challenge

This policy brief outlines EU initiatives that local and regional authorities can refer to for boosting their biowaste collection, prevention and recycling.
